*Diamond Award Club "One voice - Many votes"*

FEBRUARY 2022

VOLUME 21  
EDITION II

## CRWF WELCOMES GLORIA MASSEY CHINEA VENTURA COUNTY ELECTION INTEGRITY PROJECT CA. COORDINATOR

**EACH LAWFULLY CAST VOTE ACCURATELY COUNTED** Join us February 8, 2022 to hear Gloria Massey China, the Ventura County Coordinator of Election Integrity Project California, speak about our electoral process as the cornerstone of self-governance and the preservation of our Constitutional Republic. Election Integrity Project California (EIPCa) is a nonpartisan group of U.S. citizen volunteers seeking to participate in the governing

of our county and state by helping to ensure the integrity of our Constitutional Republic by the exercise of our most fundamental right - **the right to choose our representatives by fair and honest elections.** Gloria will speak about her personal commitment of and EIPCa's mission to encourage citizens to become active participants in the election process, which includes overseeing the integrity of voter rolls, ensuring

that each lawfully cast vote is counted fairly, and verifying that all processes are in compliance with federal, state and local laws and regulations.

Her topics will include:

- National and California State efforts concerning election integrity
- Spreading the awareness about the importance of EIPCa in California and the Nation at large
- The power of volunteers
- Training to become an EIPCa observer for the 2022 Primary Election on June 7, 2022 and the Midterm Election on November 8, 2022
- Update on Ninth Circuit lawsuit
- Update on Superior Court lawsuit in Ventura County
- Recruitment to leadership positions in EIPCa

CA has more registered voters than eligible citizens. Why?

Why do more than 7,700 voters have TWO November 3, 2020 votes credited to their voting histories?

Why are there almost 124,000 more votes counted in CA's November 3, 2020 election than voters recorded as voting in the election?

## PRESIDENT PAMELA FAULKNER 2022-2023

Happy New Year Ladies. I am looking forward to a new year filled with hope, challenges and fulfilled purposes that are before us in 2022. As we embark on a fresh new year, let us have this perceptive togetherness that we will win and that our efforts with not be in vain but rather successful because our hearts, minds & attitudes are in a place that esteems our nation and the God who made America Great in the FIRST PLACE.

This quote of teddy Roosevelt characterizes what I would like to see happen with our club this year.

**“Far better it is to dare mighty things, to win glorious triumphs, even though checked by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the grey twilight that knows not victory nor defeat.”**

**-Theodore Roosevelt**

## CA WATER INFRASTRUCTURE FUNDING ACT (WIFA) 2022

**CALL TO ACTION FOR ALL CFRW WOMEN:** At the California Federation of Republican Women (CFRW) Convention in October 2021, the CFRW joined with the National Federation of Republican Women (NFRW) and the Republican National Committee (RNC) in passing several resolutions that focus on very important issues for both the State and National level. The key issues are:

- Water Infrastructure
- “Keep 9” effort to stop the packing of the Supreme Court
- CRT in our Schools

Several months ago we published the CFRW Resolution on “Keep 9” effort to stop the packing of the Supreme Court. The second Resolution the CFRW is highlighting is Water Infrastructure:

At the Biennial CFRW Convention in October 2021, CFRW President Sue Blair signed, passed by vote of membership, a resolution in support of the Water Infrastructure Funding Act of 2022 (WIFA). WIFA is now a statewide ballot initiative for the November 2022 ballot. The WIFA is a coalition of people and organizations who believe it is up to the People to ensure California has reliable, abundant, and affordable water. WIFA is not a bond nor does it raise taxes, instead it dictates to the legislature to use existing paid tax dollars for water projects already identified. WIFA focus is on giving priority to underfunded projects already approved by the CA Water Commission administrated by 2014’s Prop 1 Water Bond, to maximize CA’s conveyance capacity along with the ability to move water around; upgrade and maintain dams; pay for desalination; underground storage, and water recycling.

The CA WIFA will amend our State’s constitution with the support of a majority of CA voters. When water is abundant, everyone wins.

The Call to Action for CRWF Members and fellow Republicans is:

1. Get to know the Water Infrastructure Funding Act (WIFA) of 2022.
2. Then communicate to every CRWF Member and family and friends that we must do something to improve and secure our water future.
3. Take a stand now! If we do not...our next opportunity will be in 2024.
4. This is a nonpartisan issue, build a network and provide groups and/or organizations with bullet points to converse with.
5. Contact all of your local, county, state and U.S. legislators and get them on board to bring awareness to the water crisis.

### 6. California is in a water crisis now... TAKE ACTION

## CHAIR GINNY BRYCE DID YOU KNOW?

The Federal Election Commission (FEC) website contains an online database

of campaign contributions by zip-code, city, individual or employer.

Did you know that 99% of political donations made by Twitter employees in 2021 were to help fund Democratic causes?

Did you know that out of the 823 donations,

561 were through the Democrat PAC ActBlue?

Did you know that only eight, or 1% of donations were to Republicans? Dan Gainer of the Media Research Center, according to the New York Post, was shocked that someone at Twitter actually gave to the GOP. "Gainer went on to say of the Twitter staffers, who have been accused of censoring conservative commentary, their day-to-day actions also contribute to that political party."

Did you know that in 2021 94% of political contributions made by Google workers were to Democrats? \$652,000 to Democrats vs \$37,700 to Republicans.

Did you know that another way they contribute to Democrats is by banning Republicans on Twitter. Twitter's ban of the account of Republican member of congress - Marjorie Taylor Greene - "as covid misinformation."

## THE MEN'S AUXILIARY

The December Men's Auxiliary Meeting was held on Dec 19th at the home of Christine and Alan Hooper. This was their second time to host and it was spectacular! Many thanks to them for their generous hospitality and Christmas spirit. It was great to see familiar faces and we had two new guys sign up as Gold members!

Our guest speaker was Don Jans, author of five books on the evils of collectivism and how it is transforming the United States of America. His website is [mygrandchildrensamerica.com](http://mygrandchildrensamerica.com). The second speaker was Cole Brocato, candidate for the Assembly District 38, which now encompasses half of Camarillo. He was able to share his experience of meeting so many new grassroots, populous, conservative movements throughout the various areas of Santa Barbara, Los Angeles and Ventura counties. There is a large number of people getting activated. You can visit [JustVoteBro.com](http://JustVoteBro.com) to find out more about his campaign.

The CRWFA was first started in January 2021 for many reasons. I felt there was a need for the men in our club to have an opportunity, aside from the monthly luncheons, to network, build relationships, support one another and bring others into the group. Many of the younger guys in particular who work, cannot attend the weekday luncheons. How can we reach more of them? I believe many who weren't necessarily political before, or who were leaning left or center, are finding they don't want the government intrusion and they are questioning many things. There is a great opportunity now. We need to keep planting seeds and offering chances for them to find the truth for themselves. This is when we, with the knowledge of the truth, can introduce our conservatism to them. The thing is, we are seeing our freedoms erode quickly. We realize that our call to action must be now.

I'm very proud of what this group has achieved in its first year. They are of all ages and backgrounds and their differences make them strong. If everyone uses their talents and strengths to the fullest, much can be accomplished. 2021 was a good start, now let's kick it into high gear for the 2022 election and see amazing things happen. Let's go!

All my best,

*Pamela Krausz*
