JUNE 2022
VOLUME 21
EDITION VI

CRWF WELCOMES KEYNOTE SPEAKER CHRISTOPHER HARRIS, US BORDER PATROL (RETIRED) THE SOUTHERN BORDER IS OUT OF CONTROL

Mr. Harris was a union leader who represented 2,000 Border Patrol agents in the San Diego sector. He served as Director of Legislative and Political Affairs for the National Border Patrol Council, Local 1613. He has led U.S. Presidents and a myriad of groups, from Congress members to the media, to areas of the U.S. border, offering not only facts about the number of illegals using the U.S. Borders to come into the United States, but also insights into the thinking of the agents who patrol the border. Mr. Harris will speak about the fact that borders were nonpartisan until 2015.

Working under five U.S. President's Administrations, Chris will share his perspective as to why Joe Biden is the worst of the five Administrations he worked for.

Right now, under President Biden's leadership, the Southern Border is out of control. In 2021 alone there were 2 Million apprehensions. And 500,000 "got-aways". One third to one half of the "got-aways" are criminals, gang-bangers or cartels. Mr. Harris will discuss the three ways for illegals to come into the United States: refugees, immigration and seeking asylum. He will speak about the need for the "Border Fence". "As a nation we will not be able to control entry criminals, illegal deadly drugs, and the cartel into our Nation if we do not control the Borders."

PRESIDENT PAMELA FAULKNER 2022-2023

Thank You Madam President
Janet Price - California State
for your timely message to all
of us Republican Women!

FUELED BY CONVICTION

It is my privilege to serve as your new CFRW President 2022-2023. In this first newsletter of our new term, I wanted to take this opportunity to encourage you with my strong belief that this is the year we California Federated Republican Women WIN! As we know, a win for CFRW is a win for all of California!

We will be celebrating our 97th birthday soon and can look

back proudly at all the hard work our Federated ladies have invested in our state. Because of that work, CFRW is not only still standing, but thriving!

The foes of freedom, the progressive left, are already declaring victory. The uphill battle Republicans have had in California has gotten markedly steeper, but because we are fueled by conviction, we are up for the task. Our membership is the largest in the nation and with numbers comes strength. We only need to harness that power and hit the ground running this critical election year!

It is my privilege to work with a very talented and energetic Executive Committee and Board of Directors. You will be reading about many of their accomplishments and goals in this newsletter. They are committed to our Republican values and work tirelessly to those ends. Do support them and, when possible, join them at every opportunity.

In keeping with our motto of unity, we will strive toward One Message, One Vision, and One Voice. Now more than ever, "We Are One!"

Pamela Faulkner
CAMARILLO RWF PRESIDENT

SB-1384 – GUN STORE REGULATIONS

This bill requires all licensed firearm dealers to have a digital video surveillance system meeting certain standards, to have general liability insurance coverage of at least one million dollars, and to require certain training for all employees annually. This is a very encompassing bill that puts many requirements on gun store owners.

SB-1327 – CIVIL LIABILITY GUNS

This bill creates a private right of action that allows individuals to file civil suits against anyone who manufactures, distributes, transports, sells or imports firearms banned in California, as well as precursor firearm parts. Current law allows for remedies for illegal activities by firearm dealers and manufacturers.

AB-1621 – FIREARMS: UNSERIALIZED FIREARMS

This bill expands what is considered a “precursor part” under existing law and requires serial numbers on those parts. Further, it expands the definition of a “firearm” for purposes of criminal and regulatory penalties to include “precursor parts”. And, it prohibits the possession, transfer, sale or advertising of milling machines that have the sole or primary purpose of manufacturing firearms.

Unfinished frames or receivers are not regulated as firearms under federal law; however, they are already regulated under state law and are limited to being transferred by licensed vendors in California.

AB-2193 – CIVIL REPRESENTATION: IMMIGRATION STATUS

Existing law, the Sargent Shriver Civil Counsel Act, requires legal counsel to be appointed to represent low-income parties in civil matters involving critical issues affecting basic human needs in courts selected by the Judicial Council. The act requires the Judicial Council to develop one or more programs involving specific types of civil matters, including, among others, housing-related matters, probate conservatorships, guardianships, and domestic violence and civil harassment restraining orders. This bill would require the programs to provide services without regard to the citizenship or

immigration status of the person represented, and if an organization is prohibited, due to other funding restrictions, from representing certain persons due to their citizenship or immigration status, would require the organization to refer those individuals for services elsewhere.

AB-1797 – IMMUNIZATION REGISTRY

This bill would require health care providers and other agencies, including schools, childcare facilities, family childcare homes and county human services agencies to disclose the specified immunization information, and would add the patient’s or client’s race or ethnicity to the list of information that shall or may be disclosed.

The bill would additionally authorize schools, childcare facilities, family childcare homes and county human services agencies to use the specified immunization information, in the event of a

public health emergency, to perform immunization status assessments of pupils, adults and clients to ensure health and safety.

Existing law requires schools, childcare facilities, family childcare homes, and county human services agencies to maintain the confidentiality of the specified immunization information and to only use the information for specified purposes, including to carry out their responsibilities regarding required immunization for attendance or participation benefits, or both. AB-1797 will

change the confidentiality of the information with broad reporting.

CHAIR
GINNY BRYCE

WHAT IS THE GREATEST THREAT TO THE USA?

According to David Horowitz of the Horowitz Freedom Center:

“The greatest threat to our military right now isn’t Russia or China.

“It’s Washington D.C.”

“It’s the America-hating politicians subverting our armed forces with divisive propaganda.”

“It’s Defense Secretary Lloyd Austin — restructuring the Pentagon’s training to revolve around the doctrines and false history of Critical Race Theory and the 1619 Project.”

“It’s Bishop Garrison — hand selected by Secretary Austin to lead the military’s purge of conservatives, Trump supporters

and patriots like you and me.”

“It’s Admiral Michael Gilday — pitting white sailors against nonwhite sailors, citing the works of America-hating Marxist Ibram X. Kendi.”

“It’s General Mark Milley — who sided with violent Black Lives Matter terrorists that torched our cities to the ground, bowing to the Critical Race Theory dogma to keep his job when Biden took office.”

“It’s Air Force Chief of Staff Charles Q. Brown Jr. (a leading candidate to replace General Milley) — betraying his own country and branch of the military as its top enlisted leader.”

“And it’s every last bureaucrat that appointed them, nominated them or enabled them.” “And I can tell you beyond a shadow of a doubt that Critical Race Theory is just Marxism by a new name, and any military official promoting it is a threat to our republic.”

These people are dividing our population by race and putting our country in danger. We need a united people and a strong military.

“If we lose freedom here, there is no place to escape to. This is the last stand on earth.”

-- Ronald Reagan
